Residential trips

BROCHURE

The value of *educational visits*

Clares Court believes that all children should be given the opportunity to experience life and learning outside of the classroom and every effort should be made to ensure these opportunities are created in a fun, interactive and engaging way.

The purpose of this brochure is to provide parents with an overview of the residential trips Claires Court School intends to run for the academic year of 2023-24. As there are many options, we hope this insight will support parents in their decision making for our larger tours.

Sailing Trip, Lake Garda 2022

Additional *Information*

Day Trips

Please note that pupils will also have the opportunity to take part in day trips throughout the year - however these will be added to the school calendars nearer to the trip date as they almost always fall within the school day, and for some centres, their bookings are not yet open.

Potential Date Changes

Please note there may be the occasional instance where dates of trips unfortunately have to change, but the school will endeavour to keep parents informed of any such occurrence.

Qualifying Events

Please note there may be the occasional instance where trips are added at short notice due to successes in sports events/tournaments. GB Rowing Trials, Tennis Regional & National Finals are prime examples of such occurrences.

Clauses

Please note that deposits made for trips are non-refundable. For international travel, please ensure you have kept up with any additional requirements relevant to enter the country i.e. vaccines / passport requirements otherwise this may be viewed as a decline to travel and you will not be covered insurance wise for a refund.

Feedback

We are always very keen to hear of new ideas, opportunities and to receive feedback. Please email jmc@clairescourt.net in the first instance.
