AFTER SCHOOL ACTIVITIES SURVEY

Name (optional):

Pupil's Year Please indicate at which site: CLAIRES COURT / RIDGEWAY / THE COLLEGE

Dear Parent

We are in the process of reviewing our After School Activity programme throughout Claires Court Schools with the aim of enhancing the provision we offer, and would be grateful for your kind assistance. A copy of this questionnaire is being sent to the parents / guardians of all pupils at the School from Year 3 to Year 11. Please fill it in (ticking the box that most nearly represents your view on each of statements) and return it in a sealed envelope to the School Office most convenient to you, marked "School Activity Survey". Your answers and comments will be treated in confidence; general findings and recommendations may be included in the written summary report to be published later in the School Year.

Please do not use this form to comment on our After School Care service (Nursery through to Year 2).

It is helpful if you complete a separate survey form for each child that you have in the School.

Comments about our provision		Strongly agree	Agree	No view	Disagree	Strongly disagree
1	I receive enough information from the School about the After School Activity provision to enable me to make an informed decision.					
2	I receive information about the After Schools Activity provision in a timely manner.					
3	I am pleased with the range of choice for my child.					
4	I am pleased with the opportunities my child has actually had this term.					
5	Overall, I am pleased with the After School Activity provision that my child has access to.					

If it were possible to arrange, are there any additional After School activities that you would like to see offered on our programme? The sub-headings are there to guide your thinking, and do not necessarily ask for a separate response.

Optional Comments – *Please write below any other issues or ideas you feel the school should consider as part of its review of the After School Activities provision.*

To add breadth to our After School Activity programme, we bring in a number of outside agencies or coaches to supply expertise which we do not have "in-house", for which an additional fee is payable. To enhance our Activity Programme further, it may be necessary to hire in more external expertise. If that were the case, how much more would you be willing to pay for such activities (though not at the expense of the current range)?		up to £40 per term per activity	up to £80 per term per activity
I am unlikely to allow my child to participate in more chargeable activities than he / she already does <i>(please tick)</i>	<input type="checkbox"/>	I would be happy to pay <i>(please tick)</i>	<input type="checkbox"/>

Thank you for your help in shaping the future development of our After School Activities programme. If you wish to comment further about the School or to raise other issues, please be aware we conduct a survey each February, for precisely that purpose. A .pdf version of this form is available from the school website – please visit www.clairescourt.com for a copy and return to the Office as detailed above.

Thank you for taking the time to complete this survey – a summary report will be published later in the School Year.
