Dear Parent

In this booklet, there is a short questionnaire that I have asked your son to fill in, with you present. The aim of this exercise is to allow the boys a chance to air their views about their school, consider their own contributions, it gives you as a parent an opportunity to see this and make your own comments, and finally it gives me as the Head of Year some fundamental feedback as to how we as a teaching body can move forward. After all, feedback is essential in the progress of any school division.

The boys will then have a ten minute individual interview with me over the course of the next few weeks, which will allow them to speak about their opinions – it also gives them the experience of a slightly more formal interview. The overall objective is in the pastoral development of the pupil.

All comments made on these forms are extremely confidential and will only be seen by myself and Mr Rayer. If a particularly pressing matter emerges from this questionnaire, do not hesitate to contact me at school.

The forms are to be returned to the school with your son on Monday 23<sup>rd</sup> February. Thank you for your ongoing support and I hope that you enjoy the half term break.

Yours Sincerely

Michael Hudson  
Head of Year 8
