**CLAIRES COURT SCHOOLS**  
 Holiday Club

Children are split into age groups based on their school year. This allows us to offer activities appropriate to their developmental stage. Use our age group details below to check which Activity Group your child falls into.

Mini Kidz 3-5 years	Our youngest guests aged 3-6's year old enjoy a fun packed programme of activities! The higher ratio of adults to children in this age group ensures the highest level of care whilst still encouraging independence. Sessions for this age group are led by staff specially selected for their understanding of the needs of younger children.
M&M's 5-7 years	For 5 to 7 year olds a 'Challenge by Choice' is our policy, whereby no individual will be pressured to participate in an activity for which they are not ready. This group has its own leader and will participate in the most appropriate activities with either Mini or Kool Kidz.
Kool Kidz 7-12 years	For our 7 to 12 year olds there is a daily choice from a core of activities including physical and mental challenges, sports, arts and crafts and quiet activities. Experience tells us that even the shyest of children will quickly make friends and will accomplish great achievements in Kool Kidz!
Explorers 8+ years	Some children aged 8 and over are really ready for a greater challenge and our programme of specialist activities allows them to fulfil their potential. Check out our programme for specific activities designed for our 8's and over.
