Dear Parents

EDUCATION LOCKERS FOR PUPILS

We have high quality lockers in School available to pupils from Year 7 through to Year 13 which come in 2 sizes. The first is a cube locker (305 mm square by 415 mm deep) and a larger size (915 mm high x 305 mm wide x 415 mm deep) both of which come from a manufacturer who supplies them in individual units allowing for easy removal and replacement for maintenance. In the larger ones, there is a clothing hook . All lockers will be provided with integral 3 point locks with a master key for problem solving. Pupils will be given either a small or large locker depending on the location of their current form room and they will be allocated the larger lockers as they move up through the School.

These lockers are not cheap, but come with a sensible lifespan and I have installed them in the School for the use of all pupils' subject to availability. In order to ensure that the lockers are treated sensibly by the users, no rental will be charged, but a locker deposit of £50 will be required from those wishing to take a locker. When the pupil returns the locker key the deposit will be refunded as long as it is returned in a good condition. I particularly want to avoid the debilitating internal customisation of lockers that otherwise can take place and which rapidly degrades the locker whilst in use.

If you would like to participate in this locker scheme, please return the tear off slip below, together with the refundable deposit of £50 in an envelope marked for my attention and labelled "locker deposit"

I look forward to hearing from you.

Yours sincerely

James Wilding
