

BRONZE QUALIFYING EXPEDITION – Group B6

4 to 5 September 2010

May 2010

Dear Parents

As you are aware, the group, of which your daughter is a member, will be undertaking a two day one night expedition on the above dates. This is the final qualifying expedition at Bronze Level, and I have requested an external Assessor for these dates.

This is an unaccompanied expedition, with remote adult supervision. I and another member of staff will be camping on the same site as, but not with, the expedition group.

This expedition, including the camp site to be used, has or will have been planned by the group and approved by me. The group must email me a copy of the Route Card, with project details, and a copy of the menu, by Tuesday 22 June. I will discuss any modifications required before 1 July, after which, we will make a tracing of the route for the Assessor.

DIRECTIONS:

Your daughter will provide you with details of the over night camp site, at Hurley Riverside Park, the expedition "Start" location and the time she must be there. She will also provide you with details of the "Finish" location and the expected time of arrival. The expedition must start at the time shown on the Route Card, after the Assessor's pre-start checks.

Any girl not completing the full expedition, without external assistance, will have to undertake it again.

The Assessor will arrange to meet the group, to ensure that they are prepared and have the correct clothing and equipment, before the school holidays, unless a date can be arranged closer to the expedition date.

As before, if you wish to discuss any aspect of this expedition, please send me an email at doea_ccc@btinternet.com, or call me on 07811 574431. I will be available on this number during the expedition.

I would appreciate you confirming your daughter's availability for this expedition, by returning the consent slip below, by Friday 11 June.

Yours sincerely
