Current School:

We have 75 places reserved for our Year 12 entry. Once we have received 50 Subject Selection forms, we will confirm the option blocks, together with any additions/changes.

You will begin Year 12 with **FOUR subjects** so you have the opportunity to explore various courses of interest. By Christmas you will reduce your timetable to three subjects, and you might opt to pick up an Extended Project Qualification (EPQ).

Please circle FOUR subjects, each one in a different option block. You may choose a reserve subject - please place that in the box beneath.

We place **languages** in the most appropriate block for best fit once we have selection choices in. Please ring the specific language you are interested in.

If you wish to study **BTEC Sport** , please circle the subject in **both Option B & Option D**. A third subject may also be chosen alongside BTEC Sport from Options A, C or E.

Changes to Options

It is possible you might change your mind about your subject choices in light of your GCSE results in August. We will do our very best to accommodate any adjustments however, sometimes some subjects may already be full based on our timetable planning and we may not be able to add to those existing groups.

If you find you need to change a subject please contact kyh@clairescourt.net as soon as possible.
