What you need to do?

1. Each table will require a designated Table Leader. As Table Leader you will be required to co-ordinate the payment for the other guests on the table.
2. Table Leaders can reserve a table now for 10 or 12 by sending an email to [pta.ccs@gmail.com](mailto:pta.ccs@gmail.com) including leader name, table of 10 or 12 and contact number.
3. You will receive an email confirming your reservation.
4. Payment is required in full for the whole table via the pay portal no later than 1<sup>st</sup> February for the early bird rate. £750 for a table of 10 and £900 for a table of 12.
5. After 1<sup>st</sup> February tickets will be £85 each and payment for the table is required by 1<sup>st</sup> March. If payment is not received by this date your reservation may be released for resale.
6. On receipt of payment you will receive a booking form which must be returned with guest names and allergy information.

For tables of less than 10 we will try to create tables with other parents, however this is subject to availability.

Please remember this event is hugely successful so we recommend you reserve a table early as tickets sell out.

We look forward to seeing you there!
