Policy information

Please read this policy and schedule carefully. If you have any queries or wish to change your cover, contact us immediately.

We will send you an updated schedule whenever the cover is changed and at each annual renewal date. The most recent schedule will provide the details of your current cover. Please retain this with your policy, together with any special notices we send you about the policy.

If your needs change, please tell us.

How we use your data

Your privacy is important to us. We will process your personal data in accordance with data protection laws.

Ecclesiastical Insurance Office plc ("**we**", "**us**", "**our**") is the data controller in respect of any personal data which you provide to us or which we hold about you and any personal data which is processed in connection with the services we provide to you.

Where you provide us with personal data about a person other than yourself (such as a dependant or named person under a policy), you must inform them that you are providing their personal data to us and refer them to this notice.

To provide our insurance related services, we will collect and process your personal data such as your name, contact details, financial information and any information which is relevant to the insurance policy we are providing. In order to provide your insurance policy or when making a claim, we may also need to collect or process 'special categories of personal data' such as information relating to your health or criminal convictions or information which is likely to reveal your religious beliefs.

We process your personal data for the purposes of offering and carrying out insurance related services to you or to an organisation or other persons which you represent. Your personal data is also used for business purposes such as fraud prevention, business management, systems development and carrying out statistical and strategic analysis.

Providing our services will involve sharing your personal data with, and obtaining information about you from, our group companies and third parties such as brokers, loss adjusters, credit reference agencies, fraud prevention agencies, our service providers and professional advisors, or business partners and our regulators.

In some circumstances we may transfer your personal data to countries outside of the European Economic Area. We will put appropriate safeguards in place to ensure that your personal data is protected.

Where we have your consent, we may market our services to you or provide your personal data to our related companies or business partners for marketing purposes. You can opt out of marketing communications at any time by clicking on the link at the bottom of any email or by contacting us.

Fraud Prevention

We need to carry out fraud and anti-money laundering checks, and this will involve sharing your personal data (such as your name, contact details and financial information) with credit reference and fraud prevention organisations such as the Claims and Underwriting Exchange, run by MIB. If you make a claim, we will share your personal data (to the extent necessary) with other companies including other insurers and anti-fraud organisations to prevent fraud. For the purposes of deciding whether to accept and pay a claim or any part of it, we may appoint loss adjusters or external investigation services to act on our behalf.

If false or inaccurate information is provided and fraud is identified, your personal data will be passed to fraud prevention agencies including the Insurance Fraud Register, run by the Insurance Fraud Bureau. Law enforcement agencies may access and use this information.

Please note that when carrying out any fraud prevention activities, we may need to process your special categories of data such as criminal offence information and share it with fraud prevention agencies.

Making your claim

All claims must be notified to Marsh Ltd by calling **01444 335173** 9am to 5pm Monday to Friday or emailing epg.claims@marsh.com

Marsh will ask you to complete a claim form which must be submitted within a reasonable period and in any event not later than the end of the term following the one in which the event giving rise to the claim occurred.

It is important where property is lost or stolen and the total claim is for £1,000 or more, that the loss or theft is reported to the police and a Crime reference number is obtained.

The action to be taken in the event of any incident which may give rise to a claim is shown in the Claims conditions.

General conditions

1 Policy voidable

You must ensure that a fair presentation of the risks to be insured is made to **us**.

In the event of misrepresentation, misdescription or non-disclosure of any material fact or circumstance **we** may void the policy and retain any premium paid where such misrepresentation, misdescription or non-disclosure is deliberate or reckless.

Where such misrepresentation, misdescription or non-disclosure is not deliberate or reckless **we** may at **our** option

- a) void the policy and refund to **you** any premium paid if **we** would have not entered into this policy on any terms had clear representation, description and disclosure been made;
- b) proportionately reduce the amount to be paid on any claim if **we** would have entered into this policy on the same terms but for a higher premium.

The reduction in claim payment will represent the percentage difference between the premium you have paid and the premium **we** would have charged **you** had clear representation, description and disclosure been made.

- c) impose additional terms on this policy if **we** would have entered into this policy on such additional terms but at the same premium had clear representation, description and disclosure been made.

We may apply these additional terms to **your** policy with effect from inception.

2 Reasonable care

It is a condition precedent to liability that **you** shall take all reasonable precautions to prevent **damage**.

3 Alteration of risk

If after the commencement of this insurance:

- a) there is any alteration of risk which increases the risk of **damage**;
- b) **your** interest ceases except by will or operation of law;
- c) an administrator or a liquidator or receiver is appointed or where **you** enter into a voluntary arrangement;

you must give notice to **us** as soon as is reasonably possible.

4 More specific insurances

Any loss or damage which at the time of happening is insured by or would but for the existence of this insurance be insured by any other more specific existing policy or policies except in respect of any excess beyond the amount which would have been payable under such other more specific policy or policies had this insurance not been effected.

5 Fraudulent claims

If a claim made by **you** or anyone acting on **your** behalf or any other person claiming to obtain benefit under this policy is fraudulent or exaggerated whether ultimately material or not or if any **damage** is caused by the **insured person's** or **your** wilful act or with the **insured person's** or **your** connivance **we** may at **our** option:

- a) repudiate the claim;
- b) recover any payments already made by **us** in respect of the claim;
- c) cancel the policy from the date of the fraudulent act.

If **we** cancel the policy **we** will notify **you** in writing by special delivery to **your** last known address;

- d) retain the premium due for the unexpired period of insurance from the date of cancellation up to the renewal date.

We will only retain premiums paid in respect of the cover for an **insured person** making a fraudulent claim.

6 Arbitration

Provided **we** have admitted liability for a claim any dispute as to the amount to be paid shall be resolved by arbitration in accordance with the statutory provisions in force at the time by

- a) an agreed arbitrator or if an arbitrator cannot be agreed;
- b) an arbitrator appointed by the Chartered Institute of Arbitrators following a request from either party provided they have given seven days' written notice to the other party.

You must not take legal action against **us** over the dispute before the arbitrator has reached a decision.

7 Cancellation

The **insured person's** parent or fee payer may cancel the cover at any time by contacting the **insured school**. The cover will continue until the end of the period for which the premium has already been paid.

The **insured school** may cancel this policy at any time by giving **us** notice in writing and cover for all **insured persons** shall cease from the end of the term during which written notice of cancellation is issued. The **insured school** is responsible for informing all **insured persons** of cancellation. No refund will be provided as the **insured school** and **insured person** will have paid only for the period already covered.

In circumstances other than those in the Policy voidable and Fraudulent claims conditions **we** may cancel the policy by sending fourteen days' notice commencing from the date of posting by special delivery to **you** at **your** last known address and shall refund to **you** the proportionate premium for the unexpired period of cover.

8 Sanctions

We shall not provide any cover under this policy or be liable to pay any claim or provide any benefit to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

If any such sanction, prohibition or restriction takes effect during the period of insurance **you** or **we** may cancel that part of this policy which is affected with immediate effect by giving such notice in writing.

In such circumstances **we** shall return a proportionate premium for the unexpired period of cover provided no claims have been paid or are outstanding.

9 Assignment

You shall not assign any of the rights or benefits under this policy or any section of this policy without **our** prior written consent.

We will not be bound to accept or be affected by any notice of trust, charge, lien or purported assignment or other dealing with or relating to this policy or any section of this policy.

10 Law applicable

This policy shall be governed by and construed in accordance with the law of England and Wales unless **your** central administration and/or place of establishment is located in Scotland in which case the law of Scotland shall apply.

11 Rights of third parties

A person or company who is not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

Claims conditions

Your duties

When an incident occurs that may result in a claim it is a condition precedent to liability that

you shall:

- a) take all practicable steps to recover property lost and otherwise minimise the claim;
- b) tell the police as soon as is reasonably possible if the **damage** is caused by thieves, malicious persons, vandals or as a result of riot, civil commotion, strikes or labour disturbances;
- c) tell **us** as soon as reasonably possible;
- d) within 30 days (7 days for **damage** by riot, civil commotion, strikes or labour disturbances) give **us** any information **we** require and continue to provide **us** with any information and assistance **we** require before or after **we** pay **your** claim under the policy.
