All are welcome.

St Luke's are planning a weekend of Music and Flowers Festival, as a celebration they would like to invite you to share the weekend with them. Please find [further details here](#).

NOTICES

Our Year 13 Leavers

Today we wished our Year 13 a fond farewell and good luck as they depart for study leave. A morning of enjoyment, celebrating achievements and reliving the memories of the past two years was so delightful. Then a game of rounders with them dressed up as characters that began with the first letter of their name - even Karate Kid showed up!

Thank you to all the staff that helped make a memorable morning and we wish this wonderful year group the best of luck in their exams this summer!

Please remember that all Y13 teachers will be available for their usual timetabled lessons during study leave, so the students are welcome to come in and see them for some additional exam support.

If your son or daughter requires transport on their **usual** bus between Senior Boys and College during study leave, please email Cat Lambert at cfl@clairescourt.net by the **Wednesday lunchtime of the week before**. All Year 13 transport will be cancelled after today unless it is booked in advance.

Students must also continue to wear their lanyards onsite, and remember to tap in and out when they arrive and leave, so that we know who is here at all times.

Prizegiving

Although today's celebrations were just for staff and students, we are looking forward to inviting Year 13 prize winners and their families to a prizegiving event in early September 2026. Further details of this event will be available in due course.

Calling All Year 12 Parents!

We are looking for any enthusiastic and proactive Year 12 parents who might wish to join the PTA's Sixth Form Division. As our Year 13s near their departure from Claires Court, we must also begin to say "goodbye" and "thank you" to those parents who are also moving on. So, if you would like to join the PTA - ideally from May half term onwards, or September - and help organise some fantastic events, please email Cat Lambert in the Sixth Form Office at cfl@clairescourt.net

Does Your Child Suffer with Hayfever?

Hayfever medication should be commenced at least 2-4 weeks before symptoms usually begin to achieve maximum effectiveness. For most people, this means starting treatment in early Spring. Using medication before coming into contact with pollen helps stop the release of histamine, which triggers the symptoms. Hayfever, if poorly controlled, can be very disruptive to your child's day, especially for Year 13s sitting their exams. Approximate timings are as follows:

- Tree Pollen: start early March
- Grass Pollen: start mid-March - April

Please ensure your child takes their chosen medication every day before school. Thank you for your help.

OPPORTUNITIES

Get Into Medicine and Dentistry

At the upcoming free virtual Get Into Medicine and Dentistry Conference, you will have access to doctors and dentists who are specially trained in the UCAS application process and medical/dental students who scored in the top 10% of

UCAT; you can also learn effective preparation strategies that will give you the best chance of obtaining high scores.

For aspiring Doctors:

FREE LIVE VIRTUAL Get Into Medicine conference dates:

Saturday 2 May from 9am - 1:30pm

https://medicmentor.org/get-into_medicine_conference_signup/

For aspiring Dentists:

FREE LIVE VIRTUAL Get Into Dentistry conference date:

Sunday 31 May from 9am - 1:30pm

<https://dental-mentor.org/get-into-dentistry-conference-sign-up/>

All aspiring doctors and dentists in years 10-12 are invited to register. These conferences offer tailored advice for medicine and dentistry, covering a range of crucial topics:

- UCAT Entrance Exam
- Exam techniques and sample questions from each UCAT section
- UCAT shortcuts and timeline
- Tactically choosing universities
- Personal statements
- Medical & Dental school interview skills
- Medical Leadership Programmes
- Awards Programmes
- Extracurricular activities
- Work experience
- Applying for scholarships

By attending, you will not only gain knowledge and preparation tips, but you will also earn a certificate that you can proudly showcase in the 'conferences you have attended' section of your UCAS application.

Please note that parental attendance is required to ensure parents are also supported throughout the application process.

Students and parents can register for free at this link:

Medicine: https://medicmentor.org/get-into_medicine_conference_signup/

Dentistry: <https://dental-mentor.org/get-into-dentistry-conference-sign-up/>

If you have any questions at all, please feel free to email education@medicmentorfamily.org.

LLOYDS

BANKING GROUP

Ready to take your first step into the world of banking and finance?

Virtual Event for Years 12 and 13 - Future Ready [All About Audit, Actuarial & Accounting](#) Apprenticeships

Tuesday 5 May - 5pm to 6pm

Discover the Triple-A careers driving the industry forward: Audit, Actuarial and Accounting Apprenticeships. From assessing risk and protecting businesses to shaping financial futures, these careers are at the heart of modern finance.

Not sure where to start? These apprenticeships give you the chance to gain real experience, build valuable skills, and earn while you learn. If you're curious about a career in finance, this could be your perfect pathway into a future-ready role in the world of business.

What to expect:

- A clear breakdown of each career path
- Real examples of how these roles shape big decisions
- Tips on choosing the right apprenticeship for YOU
- Insight into what employers look for
- How to grow your skills from day one

About LBG:

Lloyds Banking Group is a world-renowned commercial, personal, and investment banking management firm and the UK's biggest Bank. LBG has over 30 million customers and around 60,000 employees globally and is a FTSE 100 company. Under the Lloyds Banking Group business, they also own Halifax and Bank of Scotland, as well as other financial institutions such as Scottish Widows.

Event Details:

Date: Tuesday, 5 May

Time: 5pm - 6pm

For: Year 12 and 13 students

Location: (Zoom link provided upon registration)

If you love problem-solving, numbers, or just want a career with big opportunities — this session is your sign.

Your future starts now. Let's unlock it—together.

Springboard FutureChef Culinary Career Sessions

Our sessions are back for 2026 and open for registration. Bringing together our amazing chef ambassadors and industry supporters this series of four 45-minute webinars, which take place on Microsoft Teams, will explore various elements of culinary careers. Full details of the sessions are as follows:

Wednesday 20 May – Chef Roles – 10am-10:45am

- Hear from industry professional chefs about their career journey, how they got to where they are and the different roles available in the kitchen!

Wednesday 3 June – Sectors – 10am-10:45am

- A look at the various sectors of the culinary industry, hearing from chefs who work in the most prestigious establishments from football grounds to grand hotels

Wednesday 10 June – Pathways – 10am-10:45am

- We hear from hospitality professionals about the myriad of entry routes into the industry, be it tertiary education, apprenticeship or working your way up through the kitchen!

Wednesday 17 June – Alumni POV – 10am-10:45am

- We hear firsthand from former FutureChef competitors about their own FutureChef journey and how it helped kickstart their culinary career!

Once you have registered on the link below, you will be sent a link for you to join the session live each week. If that time doesn't suit, please still register and the recording can be sent to you after the session has completed, and you can keep this as a career resource to use whenever you see fit.

Summer Research Programmes with 1:1 Oxbridge Supervision

These are four-week online programmes where students design and complete their own research project, with 1:1 supervision from Oxford and Cambridge tutors. Over the course of the programme, students produce a university-style research paper while developing key skills in research, critical thinking, and independent study.

The programmes are rooted in the Humanities and Social Sciences, but are open to students from all subject areas, with projects tailored to individual interests (for example, medical ethics or the history of science).

These programmes are designed to help students:

- Stay intellectually engaged over the summer
- Strengthen university applications
- Gain experience in independent research

Students who can demonstrate independent academic exploration and subject depth are much better prepared for competitive university applications - particularly in the Humanities and Social Sciences, where opportunities for subject-specific enrichment are often more limited.

FROM THE SIXTH FORM OFFICE

Parking Outside School

We have had recent reports from our neighbours that some parents' cars have been seen parked on the double yellow lines around school and on the tight bend where College Road and College Avenue meet. We ask that everyone who drives to the College site please park considerately and safely.

Cashless Catering

Please can you regularly check your son/daughter's cashless catering balance and ensure there are sufficient funds available. Overdrawn accounts will be closed until funds have been added.

Sixth Form Dress Code Reminder

Formal business dress remains on a Monday. Casual business dress may be worn from Tuesday to Friday. The requirements for Sixth Form dress may be found [here](#). **Trainers, Crocs, Uggs and hoodies are not part of the dress code.**

Sickness Absence & Medical Absence reporting

Please report any sickness absence to the school office before 8.45am on each day of sickness either by telephoning 01628 327560 or by email to sixthform@clairescourt.net. Any absence from school required for medical or dental appointments may also be requested by email to sixthform@clairescourt.net.

Lanyards

Please can we remind parents that the wearing of lanyards by Sixth Form students is a required part of the dress code. It helps to identify them as part of the Sixth Form, both on our site and for those who travel to Senior Boys. It is an integral part of our safeguarding policy that students wear their lanyards at all times on school grounds. Unfortunately, many students come into school without lanyards, or have lost them. Please can you check that your son or daughter has their lanyard when they leave for school.

Signing in and out of School

Not only do our lanyards help to identify students on school sites, the cards carried in them are used to electronically sign students in and out of school each day. Please help us to remind your son or daughter to tap in or out every time they arrive or leave a school site. This is vital for health and safety around the school, should a fire alarm sound, and for us to be able to complete our morning and afternoon registers each day.

New, news, news!

Take a look here..... <https://bit.ly/40qgNjs> at our fantastic media wall on the school website where we collate all the stories from across the school. There are stories from Instagram, Facebook and Twitter plus photo albums from Flickr which can all be filtered by year group/activity/event.
