This week at Nursery...

Nursery has sprung into Spring this week with the children exploring new beginnings, Easter based activities and what their environment is like with the new season approaching.

There had been a surprise visitor at Forest School this week, well actually more than one! The children discovered that the Easter bunny had visited the junior

site to leave them some chocolate. However, some cheeky magpies had also been drawn to the shiny cased eggs and had stolen some. Despite some concern, this actually fascinated the children and it was all they could talk about when they got back at lunchtime.

Bumble Bees

The class continued their exploration of their environment this week, looking for minibeasts and signs of new life.
