Nursery School

Weekly Bulletin

08 May 2026 - Summer Term - Week 4

Watery weather has been the focus this week for the Beehive class. They have been learning the names of various clouds, explaining to me what evaporation is, discussing all types of weather and creating rain and hail noise using foil trays and glass beads.

Forest School

It was lovely this week to see more confidence from the children who have moved up from Bumble Bees. It is a very different morning to what they usually do, with them having to learn increased independence, resilience, confidence,

and environmental awareness. This can be scary to start with but once children have learnt that they 'can' do it and that they are not too young or small, the self esteem and motivation can be seen developing quickly.

Mr P had also prepared an activity for them to create friendship bracelets.

Bumble Bees

The class has been exploring dinosaurs this week. Through imaginative play children learn critical thinking skills, how to follow simple directions, build expressive and receptive language, increase social skills and learn how to manage their emotions.

Sports Day practice is in full swing and the children are mastering the art of running along a track.

On Fridays (once the bulletin has already been completed and shared), the 2 year old class has a cookery lesson. Here they have the opportunity to develop their hand-eye coordination, use various tools, explore textures and taste new things.

Reminders

Monday 25 May - **Bank holiday - Nursery closed**

Tuesday 26 - 29 May - Half term holiday - **Nursery closed for Beehive class**
