**Boulters to Bray Swim - Saturday 4 July**

Claire's Court has a long standing tradition in both participation and elite sports, we are also passionate about supporting community events. The historic Boulters to Bray Swim is one of the UK's oldest swims, dating back to the 1890s and it takes place right outside Senior Boys School.

Last year we had a small group of parents who took part and it was lovely to see them all on the start line. We hope that more parents can join this year and support this fantastic local event. The school is providing safety crews and logistics support but what they really need is more entries.

The water quality is always a worry but it is regularly tested and all the recent results show 'green/clear'. So, if you fancy taking on a very accessible challenge (you swim with the flow), doing something with a group of like-minded people and gaining a sense of achievement in July, please sign up using this link:
