Boulters to Bray Swim - Saturday 4 July

Clares Court has a long standing tradition in both participation and elite sports, we are also passionate about supporting community events. The historic Boulters to Bray Swim is one of the UK's oldest swims, dating back to the 1890s and it takes place right outside Senior Boys School.

Last year we had a small group of parents who took part and it was lovely to see

them all on the start line. We hope that more parents can join this year and support this fantastic local event. The school is providing safety crews and logistics support but what they really need is more entries.

The water quality is always a worry but it is regularly tested and all the recent results show 'green/clear'. So, if you fancy taking on a very accessible challenge (you swim with the flow), doing something with a group of like-minded people and gaining a sense of achievement in July, please sign up using this link:

FROM THE SIXTH FORM OFFICE

Lateness

In recent weeks, the Sixth Form leadership team has noticed a significant number of Year 12 students arriving late to school in the mornings, and for some, over several days each week. Please note that **all** Sixth Form students should be in school by 8.45am each morning, ready to go briefing, assembly or form time. Any student signing into school late will forfeit their first break that

day by attending a detention. We would be grateful if all parents and guardians could support us in encouraging students to ensure they arrive on time.

Parking Outside School

We have had recent reports from our neighbours that some parents' cars have been seen parked on the double yellow lines around school and on the tight bend where College Road and College Avenue meet. We ask that everyone who drives to the College site please park considerately and safely.

Cashless Catering

Please can you regularly check your son/daughter's cashless catering balance and ensure there are sufficient funds available. Overdrawn accounts will be closed until funds have been added.

Sixth Form Dress Code Reminder

Formal business dress remains on a Monday. Casual business dress may be worn from Tuesday to Friday. The requirements for Sixth Form dress may be found [here](#). **Trainers, Crocs, Uggs and hoodies are not part of the dress code.**

Sickness Absence & Medical Absence reporting

Please report any sickness absence to the school office before 8.45am on each day of sickness either by telephoning 01628 327560 or by email to sixthform@clairescourt.net. Any absence from school required for medical or dental appointments may also be requested by email to sixthform@clairescourt.net.

Lanyards

Please can we remind parents that the wearing of lanyards by Sixth Form students is a required part of the dress code. It helps to identify them as part of the Sixth Form, both on our site and for those who travel to Senior Boys. It is an integral part of our safeguarding policy that students wear their lanyards at all times on school grounds. Unfortunately, many students come into school without lanyards, or have lost them. Please can you check that your son or daughter has their lanyard when they leave for school.

Signing in and out of School

Not only do our lanyards help to identify students on school sites, the cards carried in them are used to electronically sign students in and out of school each day. Please help us to remind your son or daughter to tap in or out every time they arrive or leave a school site. This is vital for health and safety around the school, should a fire alarm sound, and for us to be able to complete our morning and afternoon registers each day.

New, news, news!

Take a look here..... <https://bit.ly/40ggNjs> at our fantastic media wall on the school website where we collate all the stories from across the school.
