

CLAIRES COURT SIXTH FORM

Weekly Bulletin

FRIDAY 26 JUNE 2026 - SUMMER TERM - Week 10

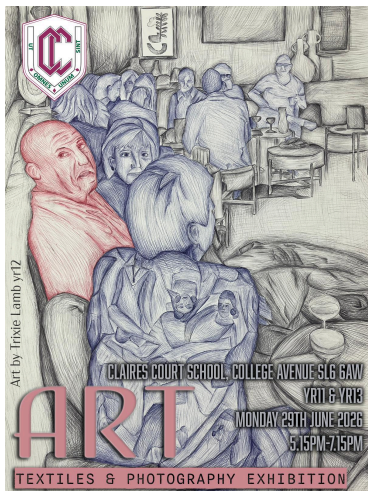

SAVE THE DATE

Welcome Back BBQ - Autumn Term 2026

We invite all families to celebrate the start of the new school year at our **Claire's Court PTA Welcome Back BBQ** this September. Please save the date for **Friday 11 September at Juniors** so we can gather as a community, welcome our new families, and look ahead to a wonderful year together. More details, including exact timings and how to RSVP, will be shared with you soon.

Art Exhibition - Monday 29 June, 5.15pm - 7.15pm

The Art, Textiles and Photography department would like to invite all students and families to visit our end of year exhibition, celebrating the fantastic Year 11 and 13 work! This would be a particularly valuable opportunity for students in Year 10 or 12 already taking one of these subjects or students considering taking one of our subjects for GCSE or A Level.

Boulters to Bray Swim - Saturday 4 July

Claire's Court has a long standing tradition in both participation and elite sports,

we are also passionate about supporting community events. The historic Boulters to Bray Swim is one of the UK's oldest swims, dating back to the 1890s and it takes place right outside Senior Boys School.

Last year we had a small group of parents who took part and it was lovely to see them all on the start line. We hope that more parents can join this year and support this fantastic local event. The school is providing safety crews and logistics support but what they really need is more entries.

The water quality is always a worry but it is regularly tested and all the recent results show 'green/clear'. So, if you fancy taking on a very accessible challenge (you swim with the flow), doing something with a group of like-minded people and gaining a sense of achievement in July, please sign up using this link:

[Boulters to Bray Swim 2026](#)

- **Year 12 Future Focus Week** - Monday 6 July to Wednesday 8 July
- **Sixth Form Lake Day and last day of term** - Thursday 9 July

OPPORTUNITIES

Insight into Lloyds Banking Group Virtual Event - Tuesday 7 July

Ready to take your first step into the world of banking and finance?

This July, Lloyds Banking Group is putting on a virtual event - the last one for this academic year to give students an opportunity to see what it's like working at one of the UK's biggest banks. The session will be packed with information, career insights, and an opportunity to gain a better understanding of how to apply for corporate roles and prepare for the interview stages.

Lloyds Banking Group is a world-renowned commercial, personal, and investment banking management firm and the UK's biggest Bank. LBG has over 30 million customers and around 60,000 employees globally and is a FTSE 100 company. Under the Lloyds Banking Group business, they also own Halifax and Bank of Scotland, as well as other financial institutions such as Scottish Widows. There are endless opportunities to grow your career at the bank, and this could be your first stepping stone to finding out how you could launch your career after school at the bank.

Tuesday 7 July, 5pm - 6pm

Year 12 and 13 students

A Distinctive Academic Advantage
Stand out in competitive university applications through:

- Independent thinking
- Academic curiosity
- Genuine engagement beyond the curriculum

Ideal for students applying to Oxbridge and Russell Group universities.
For ambitious Sixth Form students from any subject background.

Book now for Summer 2026
Limited places available
www.inquisitas.com
Scan to learn more

Inquisitas offers exceptional independent research programmes for ambitious students aged 16+, guided by expert tutors from the Universities of Oxford and Cambridge. Our programmes are designed to strengthen academic potential, foster original thinking, and develop real research skills. They provide a unique opportunity for students to explore subjects they are passionate about in depth.

Each programme includes:

- Four hours of 1:1 supervision with an Oxbridge tutor
- A comprehensive research plan on a topic of your choice, co-designed with your supervisor
- Tailored guidance on academic writing, communication, and critical thinking skills
- A professionally edited written project, executed to university standard
- A formal letter of recommendation from your supervisor, detailing your skills and achievements

For more information, visit <https://www.inquisitas.com/research-programmes>

KPMG Apprenticeships

A KPMG apprenticeship provides a fantastic alternative to university, offering benefits such as:

- A mix of real-life work and academic study, with many opportunities to expand their knowledge.
- An annual salary of £25,500-£28,000 (depending on location).
- Fully funded qualifications and professional accreditations.
- Professional skills development to help set them up for exciting careers.

Help to shape your future career with a KPMG apprenticeship. Discover more about our apprenticeship opportunities [here](#).

Apprentice Mechanic Opportunity - MVS Slough

Interested in how vehicles work? Join a local independent garage and learn servicing, repairs, diagnostics and problem-solving. Build real workshop skills while working towards a recognised apprenticeship. Ideal for practical students ready to earn, learn and start a career in automotive.

Apply: mvsfkb@gmail.com | 07989 340020 or visit MVS-swslough.com for an online application. If you would like any further information, please contact us using the details above or visit mvs-slough.com

FROM THE SIXTH FORM OFFICE

Lateness

In recent weeks, the Sixth Form leadership team has noticed a significant number of Year 12 students arriving late to school in the mornings, and for some, over several days each week. Please note that **all** Sixth Form students should be in school by 8.45am each morning, ready to go briefing, assembly or form time. Any student signing into school late will forfeit their first break that day by attending a detention. We would be grateful if all parents and guardians could support us in encouraging students to ensure they arrive on time.

Parking Outside School

We have had recent reports from our neighbours that some parents' cars have been seen parked on the double yellow lines around school and on the tight bend where College Road and College Avenue meet. We ask that everyone who drives to the College site please park considerately and safely.

Cashless Catering

Please can you regularly check your son/daughter's cashless catering balance and ensure there are sufficient funds available. Overdrawn accounts will be closed until funds have been added.

Sixth Form Dress Code Reminder

Formal business dress remains on a Monday. Casual business dress may be worn from Tuesday to Friday. The requirements for Sixth Form dress may be found [here](#). **Trainers, Crocs, Uggs and hoodies are not part of the dress code.**

Sickness Absence & Medical Absence reporting

Please report any sickness absence to the school office before 8.45am on each day of sickness either by telephoning 01628 327560 or by email to sixthform@clairescourt.net. Any absence from school required for medical or dental appointments may also be requested by email to sixthform@clairescourt.net.

Lanyards

Please can we remind parents that the wearing of lanyards by Sixth Form students is a required part of the dress code. It helps to identify them as part of the Sixth Form, both on our site and for those who travel to Senior Boys. It is an integral part of our safeguarding policy that students wear their lanyards at all times on school grounds. Unfortunately, many students come into school without lanyards, or have lost them. Please can you check that your son or daughter has their lanyard when they leave for school.

Signing in and out of School

Not only do our lanyards help to identify students on school sites, the cards carried in them are used to electronically sign students in and out of school each day. Please help us to remind your son or daughter to tap in or out every time they arrive or leave a school site. This is vital for health and safety around the school, should a fire alarm sound, and for us to be able to complete our morning and afternoon registers each day.

New, news, news!

Take a look here..... <https://bit.ly/40qgNjs> at our fantastic media wall on the school website where we collate all the stories from across the school. There are stories from Instagram, Facebook and Twitter plus photo albums from Flickr which can all be filtered by year group/activity/event.
