

CLAIRE'S COURT Nursery School

Weekly Bulletin

22 September 2023 (Autumn Term Week 3)

Another great week of investigation, collaboration and creativity. The children are embracing role play and dressing up as characters from books or role playing familiar people in their lives.

Role play is a great opportunity for children to develop their social skills as they figure out how to negotiate group dynamics. They learn how to collaborate and compromise with others, recognise and respond to others' feelings, share, show affection, resolve conflicts, and adhere to the rules.'

Collaboration was also in action during an activity in the afternoon. The children played a turn taking game; finding the items which might have been in Grandma's basket in the story of Little Red Riding Hood.

Forest School

At Forest School this week, Mr P was extending and developing language skills. The children were asked to find objects as described by Mr P, e.g. smooth, spikey, soft, long, short etc. The children loved the opportunity to explore The Thicket and find lots of different items.
