Weekly Bulletin

24 November 2023 (Autumn Term Week 10)

We have had a humorous week with the story of The Emperor's New Clothes. The children have created fancy clothes for him and even did a science experiment to see what materials would be best in rainy weather.

In all three rooms, there is always opportunity to develop fine motor skills, whether it is through using one handed tools for creating or playing or choosing activities which allow the use of writing implements.

Forest School

This week's forest school is a highlight for the children. Mr P takes them to the mudslide where they are able to have great fun sliding down and scrambling back up again.

This sort of play is obviously great fun but the overall developmental benefits are even more impressive; developing inner core, strengthening limbs, boosting their confidence and self esteem, providing an avenue for energy release, promoting brain development and much more.

Next Week

- All three classes will be looking at the stories *The Gruffalo* and *The Gruffalo's Child*.
