# Weekly Bulletin

## 19 January 2024 (Spring Term Week 2)

We have stepped back in time this week with a look at dinosaurs. The children have explored being palaeontologists, (they have even learnt the word). This type of topic is full of long, tricky words; names of dinosaurs, eras they lived in. However, read [here](#) to find out why it is important to use extended language with young children.

There have been footprints, drawings, number work and dinosaur biscuit making too.

There has been sensory exploration this week and the children had a 'heuristic play session'. To learn more about heuristic play, please click [here](#).

## Next Week

- 2 year olds - Transport on the Ground
- 3 & 4 year olds - dinosaurs with 4 legs
- Forest School will go ahead unless you hear otherwise. Please see [here](#) the letter which was sent out about appropriate clothing at Forest School

## Reminders

- Please bolt the gate when you come through or exit the nursery gate. This is to ensure the safety of your children so that no one gets in or out.
