Weekly Bulletin

15 March 2024 (Spring Term Week 9) -

With the weather being slightly less soggy, the children were able to enjoy some time in the intermittent sun. They have a variety of media they have access to so out came the paint and big pieces of paper and pastels.

Music turned into a great big conga....

And there was time for some quiet writing...

At Forest School this week, the children were excited to be able to collect some of the wild garlic from the woods. It was then brought back to the nursery where it was washed. They then helped to make some garlic butter that they ate with the baguettes we had.

The two year olds have been looking at animals which live on land. They used paint to create some animal prints and as always, lots of books to read about

different types of animals and small world role play. My favourite was the leaves and grass being used with the playdough!

Next Week

- Next week is our charity week. On Thursday 21 March we will be having a Superheroes Day and children can come dressed as someone they may aspire to be like, remembering that not all superheroes wear capes. This could be a firefighter, a nurse, a doctor or a teacher. We will be asking for a donation of £2 for your child to dress up. Please see a link to the letter [here](#)
