Weekly Bulletin

23 February 2024 (Spring Term Week 6)

Our topic of 'Transport above the ground' has been zooming along nicely with a variety of activities and discussions going on.

There was a transport themed board game session. Here the children were developing their turn taking and listening skills, following instruction and practising their mathematical skills in the process.

Fine motor skills....

Engineering skills....

Forest School

At Forest School this week, Mr P took the children to explore an area they hadn't visited before. This was a trickier route where the children had to navigate different terrain and obstacles. It was a great opportunity though to practise their prepositions like under, over, through etc

The Bumble Bee class was exploring dinosaurs. There were lots of language enriching activities, fine motor development and sensory play.

They also had a change of venue for their PE lesson this week. They used the wavy path and stepping stones to develop their balancing skills

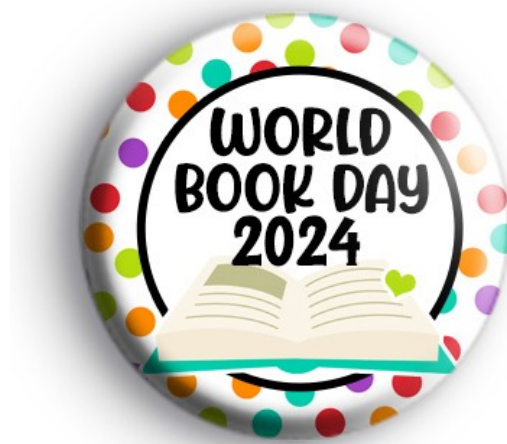

Next Week

- The Busy Bees and Beehive are going to have a change of plan and continue with the theme of 'Transport above the ground'
- The Bumble Bee class are going to see what they can discover about animals that fly.

- We will be welcoming Miss Ashton-Scott back from her honeymoon and her new name will be Mrs van Niekerk. We are very excited to hear all about the amazing time she has had in South Africa.

Reminders

- On Thursday 7 March it is World Book Day. Please come dressed as your favourite book character and please bring the book with you.
