

**CLAIRE'S COURT**  
Nursery School

# Weekly Bulletin

**26 September 2025 - Autumn Term - Week 4**

## Principal's Blog

Please read the latest blog from Mr Wilding here: ["Founders' Day and dynamism of a Family School"](#)

Being outside is all part of learning in the Foundation Stage Curriculum and we view it as an extension of our classrooms. Aside from the continuous provision which is always available to the children, the staff are there to facilitate learning.

### **Forest School**

The usual walk to The Thicket this week where the children could climb, crawl and scramble. They then loved collecting conkers to make bracelets.

**Dance**

## **Bumble Bees**

Communication, language and literacy takes on lots of different forms throughout the nursery setting. Whether it is sharing a book as a group or individually, reenacting a well known story or using tools and objects to develop their hands in readiness for reading.

## **Cookery**

We used our new knives this week to practise cutting skills. The skill takes good hand-eye coordination and strong muscles in the hands and fingers. The children really persevered though and got the results they wanted. However, the highlight as always, is eating what they have produced.

## **Reminders**

### **Road Safety Reminder – College Avenue Site**

We'd like to remind all parents and carers to please take extra care when dropping off and collecting children at the College Avenue site.

We have noticed several potentially dangerous situations recently, including:

- Vehicles using the entrance as an exit
- Children running across the car park or out through the gate toward the road
- Children running ahead of adults while using the one-way system between the front car park and the coach bays

For everyone's safety, especially our children's, please ensure you:

- **Use the designated entry and exit points correctly**
- **Keep your child close to you at all times**
- **Avoid letting children run ahead in busy traffic areas**
- **Always bolt the nursery gate when entering and leaving**

Thank you for your continued cooperation in keeping our site safe for everyone.

### **Harvest**

We will be celebrating Harvest with the children on Thursday 2 October. Please can you bring 1 item of non perishable food which we will donate to a local charity.

### **Dates to remember**

- **Tuesday 7 October** - Individual photos. If your child does not attend on this day you can bring them in for the photo.
- **20 - 31 October** - October Half Term (3 & 4 year olds)
