Making shadows, observing shadows, why do we have shadows? Who makes the shadow? So many questions to answer about shadows this week. The children have created their own shadows with puppets, looked at the shadows of animals, traced around shadow shapes and matched shadows. Science at its most exciting; lots of exploration, cause and effect and intrigue.

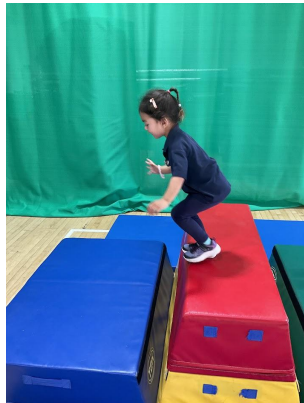

Dance

Miss Amber has continued to work on instruction taking and basic ballet movement. The children love the little stories Miss Amber makes up to go with the various ballet moves.

PE

Forest School

Mr P read the story Room on the Broom by Julia Donaldson. Beehive then went to find their own sticks to reenact the story.

Bumble Bees

Our two year olds have been looking out for The Big Bad Wolf this week. They have also been helping the three little pigs to build their houses
