Nursery rhyme day

'Nursery rhymes are extremely valuable to support early language and communication development, build confidence and prepare children for reading and writing as they get older.' (National Literacy Trust)

The children loved being able to dress up as a favourite nursery rhyme character. They built walls for Humpty Dumpty, marched around to The Grand Old Duke of York and sang about all the animals that Old Macdonald had.

Also in the Beehive class this week, the children have been learning new vocabulary and facts about animals which come out at night or during the day - nocturnal or diurnal

Forest School

This week, the children were carrying on their topic of animals hibernating. They made animals from clay and then took them into the woods to create homes they could sleep in over the Winter.

Bumble Bees

Our Nursery Rhyme week was a hit this week with a variety of activities based around traditional rhymes.

Cooking

Each week, the 2 year old class creates yummy things to eat in their cooking class. Charlotte Stirling-Reed who is a leading baby and child nutritionist, provides great insight into healthy and enticing suggestions for food. Each week, we choose one of her recipes.

For other recipes but also for great advice on everything from fussy eaters to weaning, please look at her website [here](#).

ISA National Art Competition 2025

Following their superb performance at the Regional Competition, we are proud to announce the results achieved by our students at the **ISA National Art Competition**.

The four qualifying pieces demonstrated outstanding talent and dedication across our schools. To achieve four national-level placements, including a national title, is a truly remarkable feat and one of the finest results in the school's history.

A huge congratulations to all the students involved. Their hard work, passion, and commitment have brought tremendous honour to Claires Court. **Well done to our ISA National Champion Anya (Y13) and Runners-Up, Libby (Y5) and Daisy (Y9)**
