Y11 Sixth Form Reference Requests

Most Sixth Forms will use an online system for reference requests that requires the applicant to put in the grades they are predicted to achieve. At Claires Court we do not issue 'predicted' grades, but instead use 'working at' grades, which will be based on the January report and November mocks exam results. Pupils should therefore use these sources to enter a considered grade after which the application is sent to us and we will be asked to agree or disagree with the grades they have put in. We will be basing our judgement on the same report and mock exams that the pupils have used which should therefore ensure consistency.
