This week at Nursery...

The Enormous Turnip has been the focus story this week. The children have loved the story with activities linked to size. They even got to taste some turnip and unbelievably, most loved it!!

Jurassic Park meets paleontology was the theme at Forest School this week with the children learning about dinosaurs and their habitats. They then used various natural materials to create enclosures for them.

Bumble Bees Class

The children explored everything to do with the garden, outside and inside! They dug in the soil looking for minibeasts, painted with flowers and leaves and discussed different types of minibeasts.

The parachute was out and the children loved running underneath and making it move.
